From the previous correspondence it is seen that the fees were ordered to be levied with a view to accumulate funds for a Students' Home intended to cost about Rs 8000/- & Mr Dharmadasis should be asked to prepare plans & estimates and state the amount definitely for the purpose - the amount collected & accumulated so far and in what period the whole money required is expected to be collected. The arrangements might then be sanctioned for the period which may be found to be required instead of from time to time & piecemeal as is now done
